GRAHAM OFFER – A PROFESSIONAL APPROACH TO PERSONAL CHANGE

Mr Graham Offer is an experienced consultant plastic surgeon working in and around Leicester. He runs a comprehensive, professional and personal, plastic and aesthetic surgery practice in a number of private hospitals in the area. He is also an NHS consultant in plastic surgery, based at Leicester Royal Infirmary, and a clinical teacher for Leicester Medical School.

Graham trained in the UK and Australia. He writes evidence-based patient information sheets for EIDO Healthcare, and was

awarded the Kay Kilner Prize by the British Association of Plastic Surgeons for his work on evidence-based plastic surgery. He is also an invited aesthetic breast surgery expert for Allergan/Natrelle (www.natrelle.co.uk)

Mr Offer will provide you with an honest, friendly and realistic opinion regarding your suitability for cosmetic surgery – across the following procedures:

- Breast surgery
- Facial surgery
- Rhinoplasty
- Body contouring

He has a special interest in aesthetic breast surgery (breast enhancement, uplift and reduction), and undertakes complex revision surgery.
